ANNOUNCEMENTS

***Sharon Church Budget Finances:** Over the years we have together contributed significantly to the ministry needs of our local Church Budget in December as we approach year end. Contributions to our Church Budget throughout 2017 have been consistently healthy. Year to date we are at an approximate \$7000 deficit in our giving objective. *This is a much better position we are in this year compared to many past years.* THANK YOU for your consistent support of our Church Budget throughout 2017! However, we have vital needs as we approach year end. We have incurred a significant amount of expenses exceeding our budget. Some of these expenses occurred due to maintenance and campus needs (example: five trees were taken down during 2017). We have approximately \$25,000 in expenses that have exceeded our budget. With our current \$7000 deficit in our year to date giving objective and the \$25,000 in extra spending, *we are needing approximately \$32,000 to meet our expenses as we close out 2017.* You will soon receive a letter reviewing this as well as providing some additional information. Thank you for your stewardship throughout 2017. Thank you for thoughtfully considering what you can give in December. Pastor Bryan
